

JWB Company

2022 Line List

Process Control Instrumentation, SCADA & Telemetry Equipment

For The Water, Wastewater & Process Industries

"Process Control Instrumentation, SCADA, & Telemetry Experts Since 1987"

Main Sales Office: 65 August Avenue, Wolcott, CT 06716 (203) 879-6959 FAX (203) 879-7299

Email: Jamie@jwbcompany.net www.jwbcompany.net

Contact us for other New England Offices in Maine, Rhode Island and Massachusetts

Modular Radio Telemetry Systems, Wireless I/O Cellular/Phone Line/Tone Telemetry, Pump Controllers, & Signal Conditioners
Long Range License Free Telemetry

Alarm Autodialers-Cellular/Landline, Cellular/Alarm Agent-Web Based Alarming and Datalogging

Open Channel Flowmeters, Ultrasonic/Area Velocity/Bubbler, Temporary/Permanent/Web Based "Data Delivery Services" DDS, I/I Studies/CSO Studies and Flow Monitoring Services

Authorized Reseller Analytical Products: pH, DO, ORP, CL2 and Turbidity Analyzers/Sensors
Wastewater Samplers-Sequential/Composite/Refrigerated/Portable & All Weather

Programmable Pump Controllers, Level Probes, Submersible Level Transmitters, Pump Alternators, Intrinsically Safe Controls,
Voltage and Phase Monitors

Flygt pump control components/modules/relays/alternators

Reagentless and Low Maintenance Chlorine Analyzers

Ultrasonic & Radar Level Transmitters, Level Switches & Process Instrumentation

Digital Panel Meters

License Free Spread Spectrum Radios, Licensed Radios/Ethernet/Serial

TOSHIBA

Leading Innovation >>>

Magnetic Flowmeters and Sludge Density Meters

Annunciator Panel Displays, Sequence of Events Recorders, Intrinsically Safe Barriers

Gauge Pressure and Differential Pressure Transmitters/Smart Transmitters
Plastic Submersible Transmitters for Chemical Tanks

The World First Fiber Optic-Light Non Mechanical Based Float Switch
Karl, and Mechanical Float Switches/Accessories

Flumes, Weirs, Metering Manholes and Fiberglass Shelters

Digital Pressure Gauges, Ultrasonic Level Transmitters, Submersible Level Transmitters, KARI Floats

Various Instrumentation Products for the Water/Wastewater/Process Industries

Instrumentation Lightning and Surge Protection

JWB Company Engineering Services

Radio Telemetry System Design Services/Radio Path Profile Analysis, Radio Propagation Studies,
RF Profiler Path Profiles with Google Earth
Instrumentation Assessment and Design Services/Installation/Calibration, & Flow Studies

JWB Company Manufacturing Co.

Leakminder ® and Levelminder ®

Interstitial leak detection and level monitoring systems with alarms and annunciation
