

# **JWB Company**

(A Division of M.A. Selmon Co. Inc.)

2025 Line List

**“Process Control Instrumentation, SCADA, & Telemetry Experts Since 1987”**

**For The Water, Wastewater & Process Industries**

Main Sales Office: 53 Robinson Blvd, Unit A, Orange, CT 06477 (203) 879-6959

Email: [info@jwbcompany.net](mailto:info@jwbcompany.net) [www.jwbcompany.net](http://www.jwbcompany.net)

Long Range License Free Telemetry, Wireless I/O Cellular/Phone Line/Tone Telemetry, Signal

Verbatim Autodialers-Cellular/Landline, Cellular/Alarm Agent- CLOUD Alarming and Datalogging.  
Never go to a Remote Site again!!

PH, DO,ORP, CL2 and Turbidity Analyzers/Sensors  
Wastewater Samplers-Sequential/Composite/Refrigerated/Portable & All Weather

Open Channel Flow, Magnetic Flow, Insertion Flow, V-Cone DP, Propeller Meters,  
Rentals with Remote Data, Flow Monitoring Services

Programmable Pump Controllers, Level Probes, Submersible Level Transmitters, Pump Alternators, Intrinsically Safe Controls,  
Flygt pump control components ,Voltage and Phase Monitors

Ultrasonic & Radar Level Transmitters, Level Switches & Process Instrumentation

FOXBORO MAGNETIC FLOW and Pressure Transmitters

Focused Electrode Leak Detection Services & Equipment

License Free Spread Spectrum Radlos, Licensed Radlos/Ethernet/Serial

## Honeywell

Chartless Color LCD Recorders /Circular Chart Recorders

Ultrasonic Clamp on Flow

Gauge Pressure and Differential Pressure Transmitters/Smart Transmitters

Fiber Optic-Light Non Mechanical Based Float Switch

Flumes, Weirs, Metering Manholes and Fiberglass Shelters

Digital/Analogue Pressure Gauges, Ultrasonic Level Transmitters, Submersible Level Transmitters, Temperature Measurement

## TOSHIBA

Leading Innovation >>>

Magnetic Flowmeters and Sludge Density Meters
